

Candidatures

The Ministry of Foreign Affairs and International Cooperation is committed to ensuring the country's active participation in international and regional organizations and aims to influence global governance while fostering mutually beneficial partnerships and strengthening its presence on these platforms to assert the country's voice and contribute effectively to international decision-making processes.

A key focus of the Ministry is advocating for national interests and securing pivotal roles within global and regional organizations while aiming to empower Somali professionals to excel in international institutions and ensuring thorough coordination among stakeholders when pursuing such opportunities, reflecting a vision of elevating the country's global standing and creating pathways for meaningful engagement.

The Ministry has established the Candidatures Unit within the International Organizations Department to manage and coordinate Somalia's candidatures, working closely with Permanent Missions, Embassies, and relevant Ministries and Agencies to ensure efficient coordination and achieve successful outcomes.

The Ministry has established the Candidatures Unit in the International Organizations Department to manage and coordinate Somalia's candidatures, working closely with Permanent Missions, Embassies, and relevant Ministries and Agencies to ensure efficient coordination and achieve successful outcomes.

The Unit is responsible for identifying and assessing opportunities for elective positions and representation, fostering collaboration among stakeholders to align on candidature strategies, and preparing Somali professionals for roles in international governance, while also mobilizing diplomatic support through Somalia's Permanent Missions and Embassies to effectively advance candidature campaigns.
